

## FAASafety.gov Training Provider Training

This required training is provided for potential FAASafety.gov Training Providers. It describes the requirements, limitations, and obligations that Training Providers must agree to. This training must be completed before an applicant can be approved as a Training Provider.

**Directions:** Conference Call Dial-in Number: (888) 924-3230  
Access Code: 570907#

### A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
